SDG 9 OVERVIEW

Industry, innovation and infrastructure | THE portal reporting

Executive Summary

This consolidated report presents the SDG 9 indicators available in the supplied Universitas YARSI THE Impact Rankings portal extract. The source covers university spin-offs (9.3.1), research income from industry and commerce (9.4.1 and subject-area components), and employee and academic-staff counts (9.4.3 and 9.4.2 sub-indicators). The 2027 and 2026 columns are retained separately wherever the screenshot provides a clearly legible value.

The 2026 research-income amounts have been completed from the SDG 9 reporting recap: total IDR 8,856,212,000; STEM IDR 431,840,000; Medicine IDR 3,828,036,000; and Arts & Humanities / Social Sciences IDR 4,596,336,000. The component figures reconcile to the total. The 2027 research-income fields still show validation warnings and are not reported as confirmed figures. No additional unsupported projects or entities are introduced.

SDG 9

9.3 UNIVERSITY SPIN-OFFS

Portal-based quantitative evidence

9.3.1 Number of University Spin-offs

The supplied portal extract displays 30 in the 2027 column and 739 in the 2026 column for the number of university spin-offs. These values are reproduced exactly as visible in the source. The screenshot does not provide a list of spin-off companies, the period of formation, or underlying supporting records; the report therefore does not infer any such details.

Indicator	2027 portal	2026 portal
9.3.1 Number of university spin-offs	30	739

SDG 9

9.4 RESEARCH INCOME

Industry and commerce research income by subject area

9.4.1 Research Income from Industry and Commerce

The portal extract contains a total research-income field and separate fields for STEM, Medicine, and Arts & Humanities / Social Sciences. A validation warning accompanies the 2027 total and subject-specific entries; the total warning describes research income per academic staff as unusually high relative to expected values. The portal asks for supporting explanation and may conduct further data validation.

Although the portal screenshot truncates the 2026 currency amounts, complete figures are supplied from the SDG 9 reporting recap and reconcile to IDR 8,856,212,000. The 2027 entries below the validation warnings remain unconfirmed.

THE indicator	2026 reporting amount	2027 field
